Scoring the game

From the scoring screen select pitch result, SWING strike, CALLED strike or BALL.

The screenshot shows a baseball scoring application interface. At the top, there is a score table for the game between Örebro Eagles Softbollklubb and Enköpings BSK. The score table shows runs (R), hits (H), and errors (E) for both teams across 7 innings. Below the score table, there are indicators for BALL, STRIKE, and OUT counts. The main area displays the current pitcher (Waller Amanda, #19) and the batter (Öjen Maja, #1). The control panel at the bottom contains various options for recording the pitch result, with SWING, CALLED, and BALL highlighted in red circles.

Add new Position

You will see that the position for the Pitcher is changed to SS

Need to do the same for the player that was playing Short Stop and going to Pitch

You see that the new pitcher was added under PITCHERS also, and when you come back to the scoring screen the current Pitcher is the new one.
